Sponsors: Clara Elizabeth Medina Maya, Campus Climate Appointed Officer

Authors: UC Undocumented Student Coalition Members

WHEREAS, the Student of Color Conference (SOCC) will not be happening in the 2018-2019 academic year and,

WHEREAS, the money for the annual SOCC has already been allocated by each campus as part of the budgetary process on respective campuses,

WHEREAS, the UCSA has previously committed to support the University of California Undocumented Student Coalition (UCUSC) as proposed in their statement and demands to the board²,

WHEREAS, the UCUSC has presented a fully developed conference funding proposal presented to the UCSA and memorandum of understanding between has been drafted to support the creation of the Undocu-Summit³,

WHEREAS, the UCUSC has been exploring avenues and actively seeking funding resources in the period since presenting the initial statement and demands but has ultimately been unable to fund a conference this year,
